

EXELOUME

BIOGRAPHY

EXELOUME are a deathy thrash metal outfit from Trondheim in Norway. The band are mostly influenced by American thrash metal from '85-'89, and old-school death metal from '89-'92. Our debut is recorded and due for release Friday 13th of May 2011.

Founded by Tom 'Welhaven' Wahl (Anti-Depressive Delivery, Bethzaida, Atrox, Maelström), it took a few false starts to get the members of his choice.

Late 2008 they started the recording of what would become 'The Longest Shadow'. Doing most of the recording hither and thither by themselves, the recording finally was completed in October 09.

Early 2010 they completed their second demo entitled '**Fairytale of Perversion**' which would also become the title of their debut album.

This recording was the first to feature today's line-up.

During summer/autumn 2010 the band recorded their debut album produced by Rune Stavnesli (Keep of Kalessin) and mixed/mastered by Dan Swanö. The album also features guest appearances by Andy LaRoque (King Diamond and Dan Swanö). The artwork was created by Ed Repka who has created album art for Death, Atheist and Megadeth.

In february 2011 they signed a deal with the Swedish label **ViciSolum Production** as the first non-Swedish band, and the debut album are scheduled for release Friday 13th of May 2011.
